

2010 Annual Report

Our Mission

The mission of the Crochet Club of London is to provide crocheted blankets/afghans to organizations that assist people in need, and to individuals such as fire victims, in and around London, Ontario. The Crochet Club also makes blankets/afghans for local organizations that help animals in need. Crochet Club blankets are never sold.

Accomplishments

The Crochet Club's proudest accomplishment is the continued distribution of blankets to local charitable organizations, as per our mission statement above. For the period October 1, 2009 to September 30, 2010, The Crochet Club made and distributed the following:

Blankets	717
(Includes 50 blankets for Silent Auctions)	
Pet Blankets	195

The majority of the blankets were given away at the Club's semi-annual Distribution Meetings, held in April and September.

In April, a "Fund Development Volunteer" was recruited to help with fundraising.

In July, a Tupperware Party was held to raise funds.

Sales of non-blanket items (such as hats, scarves, slippers, dishcloths, kitchen towels, etc.) were held at White Oaks Mall in October and at Masonville Place in December.
